## A few more new products:

GoSmile has made available its products in Lipbalm, Breath-Spray, and Lemon Toothpaste. Furthermore, their whitening system is now a whopping 10% hydrogen peroxide and not 6%. Whitening your teeth in 7 short days!!

MD Skincare and Dr. Dennis Gross have a few more choices in your line-up: Hydra-Pure Mist (toner), All-In-One Cleansing Foam (cleanser), All-Over Blemish Solution and Correct & Perfect Spot Treatment (pimple help) and finally Hydra-Pure Oil-Free Moisturizer.

Darphin introduces the NEW Stimulskin Plus Serum. A rejuvenating and lifting serum that will improve your skin's lifted appearance by 79%\*. Polypeptides, collagen fragments, calcium, avocado oil, rosemary and Astragalus extracts renew, repair and rejuvenate and lift the look of facial contours. It helps to reduce age spots and visibly improves the skin's tone and texture. Use this serum twice daily under day and night time moisturizers. (\*After daily use for 16 weeks; results are cumulative.)

Valmont's newest Intensive Chrono Cellular Treatment will be your solution to summer's end. Boost your skin immediately! Re-stimulate cellular regeneration and tissue oxygenation by optimizing the skin's metabolism with this new nano-emulsion. Chrono Cellular is design to be a thousand times smaller than the average micro-emulsion or oil applied to the skin. Therefore, the penetration of active ingredients, such as Triple DNA and Peptides, melt into the hydro-lipidic film and move between the cells of the epidermis far more efficiently. Use for 4 consecutive weeks – twice or four times annually- in the evening, on face and neck, followed by your night cream.

***Come in to Alexander Perfumes and Cosmetics  
in La Jolla or Lake Las Vegas  
to sample these new additions.***

## Want the ultimate sun protection???

Try La Roche Posay. The maximum protection against the damaging rays of UVA is now available here. SPF 65+ will provide all-day coverage. Water resistant gel-cream formulations insure safety from the sun harmful rays. Apple), Lotus Blossom and Balsa.

## The Promise of Silk

Discover **Kanebo International Skincare** – a world of uncompromising quality and luxury from “the skin expert”; and discover your skin’s true potential.

For more than 70 years, **Kanebo International** has been harnessing the unique properties of silk to help women achieve skin with all the refinement of this legendary fabric itself.

**Kanebo International**’s Beauty Philosophy is that clean is beautiful and moist is healthy. Easy enough to remember and observe, now expand this premise: “DOUBLE Cleansing; DOUBLE Moisturizing”.

**Kanebo International** is comprised into three stages; starting with Sensai Silk – the early anti-aging skincare line for those who start to see the first signs of aging; next, unveil Sensai Cellular – designed to be the flagship anti-aging series and provide defense against all signs of aging; and finally graduating into Sensai Premier, the most sophisticated product line, that inspires timeless beauty.

**Sensai Silk** – created “for the future of your beauty”, Sensai Silk is the early anti-aging skincare line for those who start to see the first signs of aging. The result of years of independent research, Sensai Silk helps the skin minimize fine lines and maintain its youthful firmness and appearance, while protecting the skin from further effects of aging.

**Sensai Cellular** – this anti-aging series features a holistic approach to reset the cell’s memory, optimize cellular performance and provide a comprehensive defense against all signs of aging

and photo-aging. The skin cells will again function at their peak capacity with this extensive product line. Silk Fibroin and five exclusive ingredients will disrupt stress and UV radiation damages.

**Sensai Premier** – a revolutionary skincare line that optimizes cellular energy and metabolism through DNA repair, utilizes the moisturizing properties of Royal Silk, and other natural botanicals while encasing the products in the gentleness of Moon Flower Extract. This is the crème de la crème of Kanebo. This 4-product line represents the culmination of decades of anti-aging expertise and cutting edge research in DNA repair. Start with the Premier Priming Lotion followed by the Premier Eye Cream and Premier Facial Cream or Premier Facial Lotion.

**Kanebo International** also encompasses a cleansing line, a sun care line, a body care line and a radiance line – Sensai Radiance - that is formulated with wheat germ and Vitamin C in order to brighten the complexion and guard against dark spots. And Kanebo has now also specialized in a unique lifting cream. Come in and experience Japan’s finest whether you require an update on your home regime or want to enjoy a spa facial. Alexander Perfumes and Cosmetics in La Jolla wants to show you their silk!

**Alexander Perfumes and Cosmetics** presents an Italian prescription for healthier skin: Rilastil Intensive. #1 skincare line in Italy makes its way to the United States. These are the secrets of youth and beauty unlocked. Rilastil is a cosmeceutical/pharmaceutical company founded back in the thirties. Its intent is to use top-grade raw materials in all its products, therefore helping the health of your skin improve more quickly. A simple 3-step daily philosophy to slow down the aging process is to CLEANSE, APPLY EYE CONTOUR CREAM, and REJUVENATE FACE & NECK. Need you ask for something more simple? This is a great match for those on the go whether for travel or work. Also try Rilastil’s Mascara for a thick full lash, available in black and brown, naturally!
